Fast Track Math – Fast Track Math offers an after-school math program using world-renowned Singapore Math, brain teasers, and math games. Students work on their math skills, tailored to their individual levels and abilities, in a fun and encouraging environment! Students work at their own pace and earn points that they redeem for prizes three times a year. Grades K-5

Fast Track Math

Arts and Logic – Art materials for all students. Students explore drawing as realistic, creative and abstract representation of what they visually interpret as art. Students are exposed to examples that helps in the development of their artistic ability, and apply their learning to the goals and objectives of each lesson. This class builds skill, confidence and ability to express personal creative ideas through drawing, it also helps children develop their skill and imaginative ideas through the investigation of technique and style. Grades 1st-5th

Speak Easy – Building leaders through public speaking Grades 1-5

Chess for Life – Chess Club. Grades K-5

Code Club—Programming Robotics – In this TechVenture Kids after school Code Club, we combine a real robot with coding to ignite children's imaginations! Coding projects are designed to build confidence in the way kids look at the world and approach problems. Students work together to program robots to deliver messages, navigate obstacles and more – developing their skills in reasoning, math, creativity and problem-solving in a fun, collaborative and supportive environment. This program is designed for students at multiple skill levels. Grades 3-5

Jet Gymnastics– Students will have fun learning the guitar. Guitar skills including chords, notes, and how to read guitar tablature will be practiced. All playing levels are welcome. Guitars will be provided during class for students without a guitar. Grades K-5

Parkour– This fun, high-energy class will provide the fundamentals include running, jumping, and climbing, and we build on these fundamentals to improve our ability to pass over, under, around and through obstacles with more complex movements. Grades 1-5

Moana Small Hands On Art—Musical Theatre Class – Small Hands on Art is a not for profit organization that accepts all applicants and does not discriminate for any reason. We teach musical theater classes to children. All students signed up get a part. There is a recital for parents and friends on the last day. Grades K-5
