KIDS UNIVERSITY PROGRAM LOGISTICS & POLICIES

- Classes take place at Snoqualmie YMCA and Timber Ridge Elementary between the hours of End of School-6:00pm on Monday-Friday.
- Kids University provides multiple enrichment classes per hour block. Please select one class per hour block for enrichment pass and as few or as many classes as you would like per session for by-class.
- Payment Information:
 - **Enrichment Pass:** Payment is automatically deducted on the 1st of the month for participation in that month's program. Payment will continue to deduct monthly until cancelled or the final payment on June 1st.
 - **By Class:** Payment is made in full prior to the start of each session.
- The YMCA Kids University Enrichment Program follows the Snoqualmie School District Calendar.
- Programs are offered on No School Days and Early Release Days. **However participation on non-school days require additional registration and payment**
- **Cancellation Policy:** For withdrawal or cancellations, we require written notice 15 days prior to the participants end date. Failure to do so will make the payment non-refundable. Registration fee is non-refundable.
- Financial assistance through the Y and can find our financial assistance application online at www.ykids.org.

YMCA OF GREATER SEATTLE
Payment Authorization Form – Youth Enrichment Programs

PRIMARY MEMBER

Legal First Name, MI, Legal Last Name, Address, Phone Number

PAYMENT AUTHORIZATION (Please select preference for payment method.)

Payment method options: Electronic Funds Transfer, Credit Card or Debit Card, login information, contact information

Please read and initial/sign below.

I understand that I will be charged on the 1st of the month my child attends. I understand that changes and cancelations need to be made in writing 30 days prior to each month to avoid being charged for the month.

I hereby authorize my financial institution to honor pre-authorized debit entries by the YMCA on my account for YEP payments and when my financial institution honors such debits by charging my account this shall constitute my receipt for payment.

I hereby authorize the YMCA to charge my credit card on a monthly basis for payments as indicated above. When my financial institution honors such debits by charging my account this shall constitute my receipt for payment.

YMCA OF GREATER SEATTLE FINANCIAL POLICIES

I further stipulate the following conditions (please read and sign at the bottom):

- I understand that the YMCA membership and programs are continuous and that monthly charges or debits, as indicated above, will continue until I give written notice to change or terminate the membership or program.
• I understand any custody agreements involving division of program costs are solely between the legal parties involved and are outside the Payment Agreement made with the YMCA of Greater Seattle.
• I understand that I must give the YMCA written notice (in person or by email ONLY) 30 days prior to the next scheduled draft to change or cancel my membership or program fees. Failure to do so will make the subsequent draft non-refundable. Any outstanding balances will be due at the time of cancellation. I am liable for any fees that the YMCA may incur in its effort to collect any remaining balance due
• I understand that I must inform the YMCA 14 days in advance of any changes to my name, address, telephone number or payment information. Failure to provide the YMCA with current information may result in non-refundable fees and that I am personally responsible for any payments not processed by my financial institution and/or the YMCA
• I understand that the YMCA will notify me at least 30 days in advance of any increase to my monthly membership dues or program fees.
• I understand that it is my responsibility to bring any billing discrepancies to the YMCA's attention within 60 days after they first appear on my financial statements. After 60 days, I waive my right to dispute such discrepancies.
• I understand and authorize that NSF or collection of fees will be charged to me for any declined or returned monthly dues. Such non-sufficient fees will be the maximum amount allowed by law and will include applicable taxes.

VENDOR CLASSES

Art Expression: By Branch Out	Art Expression is an 8 week program designed to encourage and further develop imagination, creativity and self-discovery. Children expand their creative interests and expression through the exploration of various art mediums, which may include painting, sculpting, pottery, collage, mosaic, clay, drawing and more. We love repeat students! New projects are introduced from session to session. Grades K-5
Guitar with Bill	Students will have fun learning the guitar. Guitar skills including chords, notes, and how to read guitar tablature will be practiced. All playing levels are welcome. Guitars will be provided during class for students without a guitar. Grades K-5th
Gymnastics	This is a class for beginning to intermediate girls and boys. We will teach skills on bars, beam, vaulting and in tumbling. Grades K-5
Mad Science: Special Agent Lab	Explore how STEM is used to solve crimes and reveal the secrets of spies with our Special Agent Lab. Inspect crime scenes through the eyes of a detective, analyze evidence with forensic science, sharpen your skills of observation and test your powers of deduction. Your agent-in-training will build security systems to keep secrets safe, use cyphers to send secret messages and learn how technology works in the top-secret world of espionage. Uncover the science of sleuthing with our Special Agent Lab! Grades 1st -5th

YMCA LED CLASSES

A Blast to the Past! (2-5)	Who ever said history is boring? They were wrong! In this class, kids will learn about a few of the important events that shaped our country. Students will then create awesome crafts and STEM activities to go along with the lesson.
Animal Adventures	Learn cool and interesting facts about animals while making new art projects!
Art 101	Calling all artists! This course will explore different drawing techniques and tools/materials used for art.
Ballerific	How many different games can we play with a ball? Let's find out in Ballerific!
Beady Buddies	Learn to make different bead creatures each week following unique patterns!
Card Games	Enjoy new and classic card games during this class.
Challenge Accepted	Work independently and in groups to solve and create challenges fun for everyone.
Cooking Skills (2-5)	Come learn some basic cooking skills, and plan a meal!
Dice Games	Learn new games to play with a basic set of dice.
Dodgeball III	Enjoy a classic elementary school game while learning new variations to play with friends!
Felt Art	Learn how to use felt for a variety of projects including lollipops, pillows, and more!
Field Fun	Get outside and on the field to play fun games including kickball, world cup and more.
Fun Bunch (K-2)	Introduce younger kids to fun art and crafts, educational games and more!
Gaga Ball	Join Y staff as you learn and play the fun game of GAGA.
Gym Time 2	Spend time in the gym learning new games and playing some great classics with a twist!
Holidays around the World	Learn about holidays from different countries through arts and crafts!
Holy Hoops	Learn the basics of basketball by learning a variety of techniques and rules to play the game.
Kids U Gaelic Football	Students will learn an exciting new game from Ireland which involves speed, skill and will improve teamwork and coordination.
Kool K'nex	Improve your fine motor skills as you create different projects with these fun building blocks!
Movin' Movie Mania	Course Description: Each week, kids will be completing art projects and/or games related to some of the most popular movies
Origami Masters	It's all about Paper folding. From balloons to boxes, cranes to frogs, we'll do it all! Create some fantastic pieces to take home each day.
Outdoor Games	Get outside and play! Learn new outdoor games to play with ends or in school!
Playground Games	Playing outdoors is great – especially different playground games! This course will explore different games that can be played on the playground.
Recycle Music	Take everyday objects and turn them into musical creations!
Sewing (2-5)	Students will different terms relating to sewing and the skills for basic projects.
Slime Time	Explore the different states of matter as you create messy projects!
STEM Challenges (2-5)	Like to build and create things? Each week you will work in a team to build and construct different challenges and solve problems to complete tasks.
String it up	We use string in so many different craft, so now we'll do some craft that the main material will be the string, whether it's for friendship bracelets or a new toy

YMCA LED CLASSES

The Art of Throwing	In this class, kids will learn various ways to throw different sport-related projectiles properly, and practice for more accuracy.
Think Tank	Expand your brain and challenge yourself each week by solving riddles, Sudoku, mazes, puzzles, crosswords, hidden pictures and much more as well as a time for them to do their homework.
Washington Wildlife	Want to learn more about the wildlife that lives in our own state? This course will help you explore Washington's wilderness by learning about the animals and plants that live right outside our homes.
Wednesday Walkers	Have you ever wondered how far you have walked during the course of a day? Participants will be learning about the benefits of walking and how to track just how far they go.
Wonders of the World	A class for all young adventurers! Learn about the classic wonders of the world as you create mini replicas of each design.
Your'e it	Learn new variations to the classic recess game of tag, from Dab tag to Zone tag and more.
