VENDOR CLASSES

Acting in Zootopia- Village Theatre	Join Village Theatre KidsStage -Extraordinary eccentric critters are the inspiration for this adventurous class. Try everything as bunnies, foxes and other fun critters, inspired by Disney's Zootopia. Bring to life colorful characters through creative stories, crafts and costumes.
Color Me Mine ArtClub	Students will create exciting art projects and learn new techniques each week. Both ceramics and canvas painting will be demonstrated.
Dance - My World Dance Academy	This is a street style type of dance that is performed mostly to hip-hop music. Hip-Hop dance refers to street dance styles primarily performed to hip-hop music or that have evolved as a part of hip-hop culture.
Guitar with Bill	Students will learn the joy of playing
Gymnastics -Jet Gymnastics	Our grade school program is a fun, non-competitive class for boys and girls. It is designed for those parents/children who would like a well-rounded and safe environment for learning gymnastics. We pride ourselves on teaching sound, basic skills, while having a fun and positive experience. We will be learning and perfecting skills on bars, beam, vaulting and in tumbling.
Introductory Martial Arts- DMW	Martial Arts is a great way to empower your child, give them confidence and teach them discipline all while having a great time. Our classes are focused on positive reinforcement in an encouraging environment. Each class will include high energy drills that are carefully designed to develop students at a consistent pace. Come join us!! Uniform cost \$45 must buy at the Studio.
Make Your Own Computer Games- TechVenture Kids	Do you play games and wonder how they are made? Come learn how to build computer games with TechVenture Kids. In this fun after-school class, you will be introduced to the core concepts of computer programming using the Scratch development platform. With our progressive curriculum, kids express creativity, make fun games and quickly gain coding skills - moving to the next skill level after just 1-2 sessions. Don't miss the fun in this enrichment class
STEMulating Science -Mad Science of Sno-King	Our Jr Mad Scientists put the STEM into science as we examine how potential and kinetic energy is used to power toys, learn about frequencies and cell phones, explore what life is like underwater, discover how the sun, wind, and water make electricity, and experiment with action-reaction forces as we investigate Newton's Three Laws of Motion.
