**Photo ID + Fast Pass = Faster Pickup**

Each family will be issued two Camp Pick-Up Cards, otherwise known as Fast Passes. On your first day, a staff member will authenticate the information written on the front of the card. Afterwards, present your Fast Pass along with a government-issued photo ID for a speedy camper pick-up. If you do not have the Fast Pass on you, a staff member will check your camper’s file for authorization before releasing the camper into your custody.
